

MEMO-68679

29 April 1960

Quarterly Report: Munich Base Special Operations Section.

CASSTONE-16

A. CASSTONE-1 also continued his fruitful contacts with CASSTONE-15 and 16. The former came up with the names of twenty-one travelers to Munich from East Bloc countries and the latter was able to provide identification pictures of four University of Munich students of interest to some officers at the base.
